

VOLLEYBALL SEASON BEGINNING

Volleyball practices will begin the week of August 15th. Team rosters will be sent out prior to that week, with assigned practice days. We are still in need of at least **four** Unified Partners. You don't have to be a skilled volleyball player, just have the desire to work with our athletes & have a great time!!

AQUATICS

The aquatics season will also begin in September (tentatively Sept. 10th). We will again have a Rec swim session and a Special Olympic session. The Special Olympic session is for athletes that are able to swim the length of the pool without assistance. There will be no Special Olympic aquatics competition offered this Fall. All SO competitions will be conducted during the Summer Games only.

Those participating in the Rec swim must have an attendant in the pool with them. The attendant must be approved by the Aquatics Instructor prior to starting the program.

There is a **\$15** fee to participate in this program.

BOWLING REGISTRATION

In this edition of the newsletter, you will find the *Registration Form* for the Fall Bowling League.

During the Spring season, we were forced to bowl on two separate nights and the general consensus after this was to keep the league split -

so, "you asked for it; you got it!"

The league will resume on **Thurs., Sept. 8th** and **Fri., Sept. 9th** for Terre Haute and on **Sun., Sept. 18th** for Sullivan.

As soon as all registration forms have been received, you will receive notification as to what night you will be assigned to bowl on.

The deadline to register will be

FRIDAY, AUGUST 19th.

The league fees will remain **\$9.00/person.**

Additionally, if you wish to compete in the 2011 Special Olympics Bowling tournament, please indicate as such on the registration form. Bowlers who do not pre-register, will not be considered for competition in November.

If you have any questions regarding the bowling league, please contact Jodi at Happiness Bag or via e-mail at jmexdir@aol.com

HARLEY OWNER'S PICNIC

Although it isn't scheduled until Sept. 11th, we need to get a "head count" of how many will be attending the Harley Owner's picnic, so please return the RSVP, no later than **Sept. 2nd.**

COMING SOON.....

A survey team from CARF International will be visiting **October 3rd & 4th**. We have invited the surveyors to evaluate how well we meet international standards for quality. The survey will tell us what we are doing well and ways we might improve. As a result of this survey, we may earn accreditation.

As a part of the survey, the surveyors will interview people who receive services, their families, our staff, and others. Some questions the survey team members might ask people are:

- Do we provide a clean & safe setting?
- Do you receive the services you need & want?
 - Are you treated with respect?
 - Do you take part in planning your services?
- Are you told what you need to know about your services?
- Are your questions answered in a way you understand?
- Do you know where to go with questions or concerns?

If you would like to talk with one of the survey team members or want to learn more about CARF International, please let one of our staff members know. You can also contact CARF International directly:
